School Construction-

Fairfield Chapter, CT will construct a two (2) classrooms in Pangilihan Elementary School in the town of Janiuay, Iloilo (Regon VI).

The school is centrally located 15 kms. away from the town of Janiuay, Iloilo and belongs to one of the mountain parts of the Barangay and is accessible by motorcycle or jeepney. Presently, school enrolment reaches about 209 students.

On December 28 & 29, 2022, our Chapter Commander Sir Domingo 'Ed' Manongsong, KCR will make a physical survey and ocular inspection of the proposed school area together with the proper school authorities and volunteers.

He will also be meeting with the Parents & Teachers Association (PTA) and Community Leaders about the school project and discuss the accessibility of the area including but not limited to the delivery of school materials, and hardware to the site.

Initial talks by the Chapter Officers with Pangilihan school officials & community leaders resulted in a very positive way and the school project was joyously embraced by the community with the promise by the men & women in the community to aid with the construction through the spirit of bayanihan.

On or about the first week of February 2023, the groundbreaking ceremony of the school project will take place, (just days after our Int'l Assembly on January 29-31, 2023), to be attended by some Chapter Officers and Supreme Council Archivist, Sir Ferdinand G. Suba, who signifies his intention to attend.

We are also inviting our KOR IHQ leaders to witness this event. Construction shall commence following the ceremony.
